**Today this boy is swimming.
He is not moving very fast.
He ends up last.
This boy feels life is dimming.**

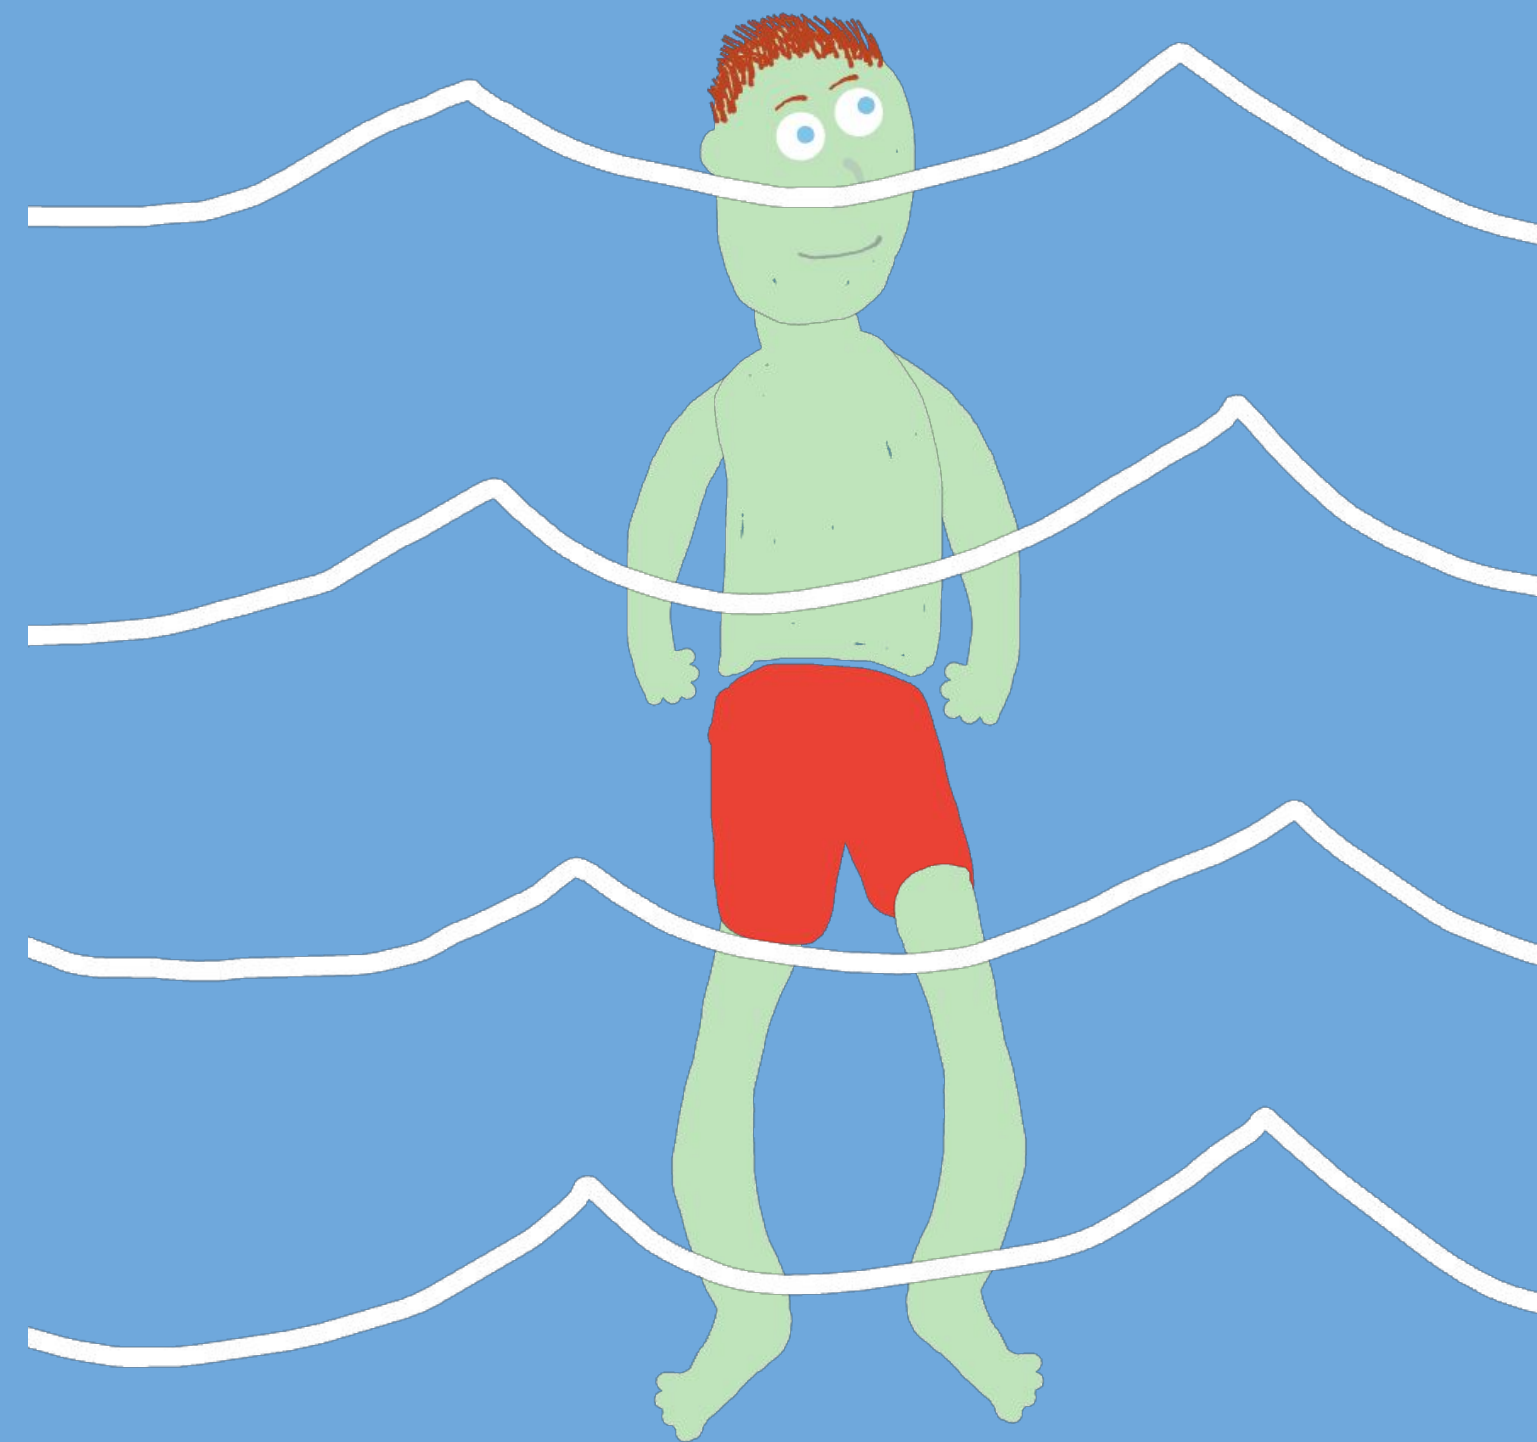

**Yet the boy knows.
Life will flow.
Just keep living.
Just keep swimming.**

**Today this boy is swimming.
He is moving faster now.
He ends up last anyhow.
Again, this boy feels life is dimming.**

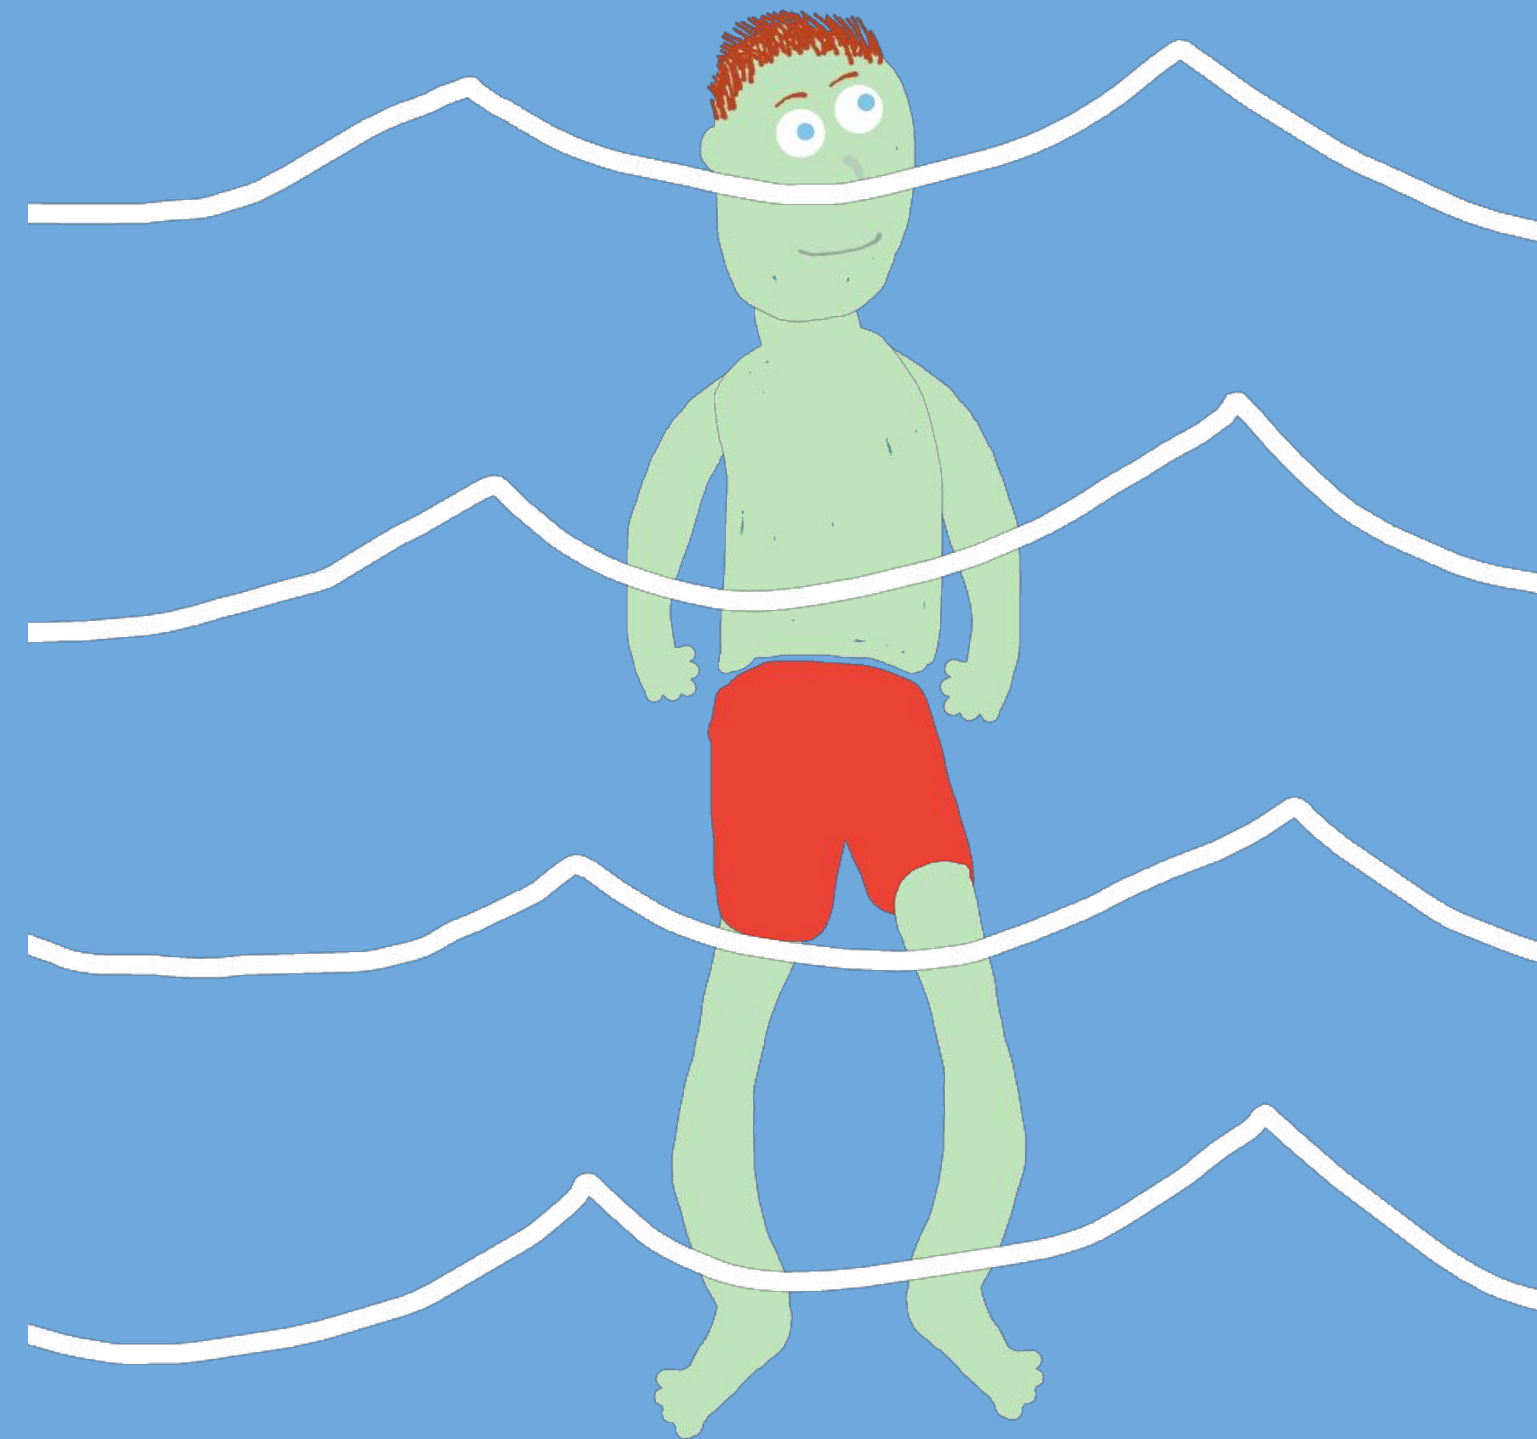

**Yet the boy knows.
Life will flow.
Just keep living.
Just keep swimming.**

**Today this boy is swimming.
He is moving fast now.
He ends up first now.
Still, this boy feels life is dimming.**

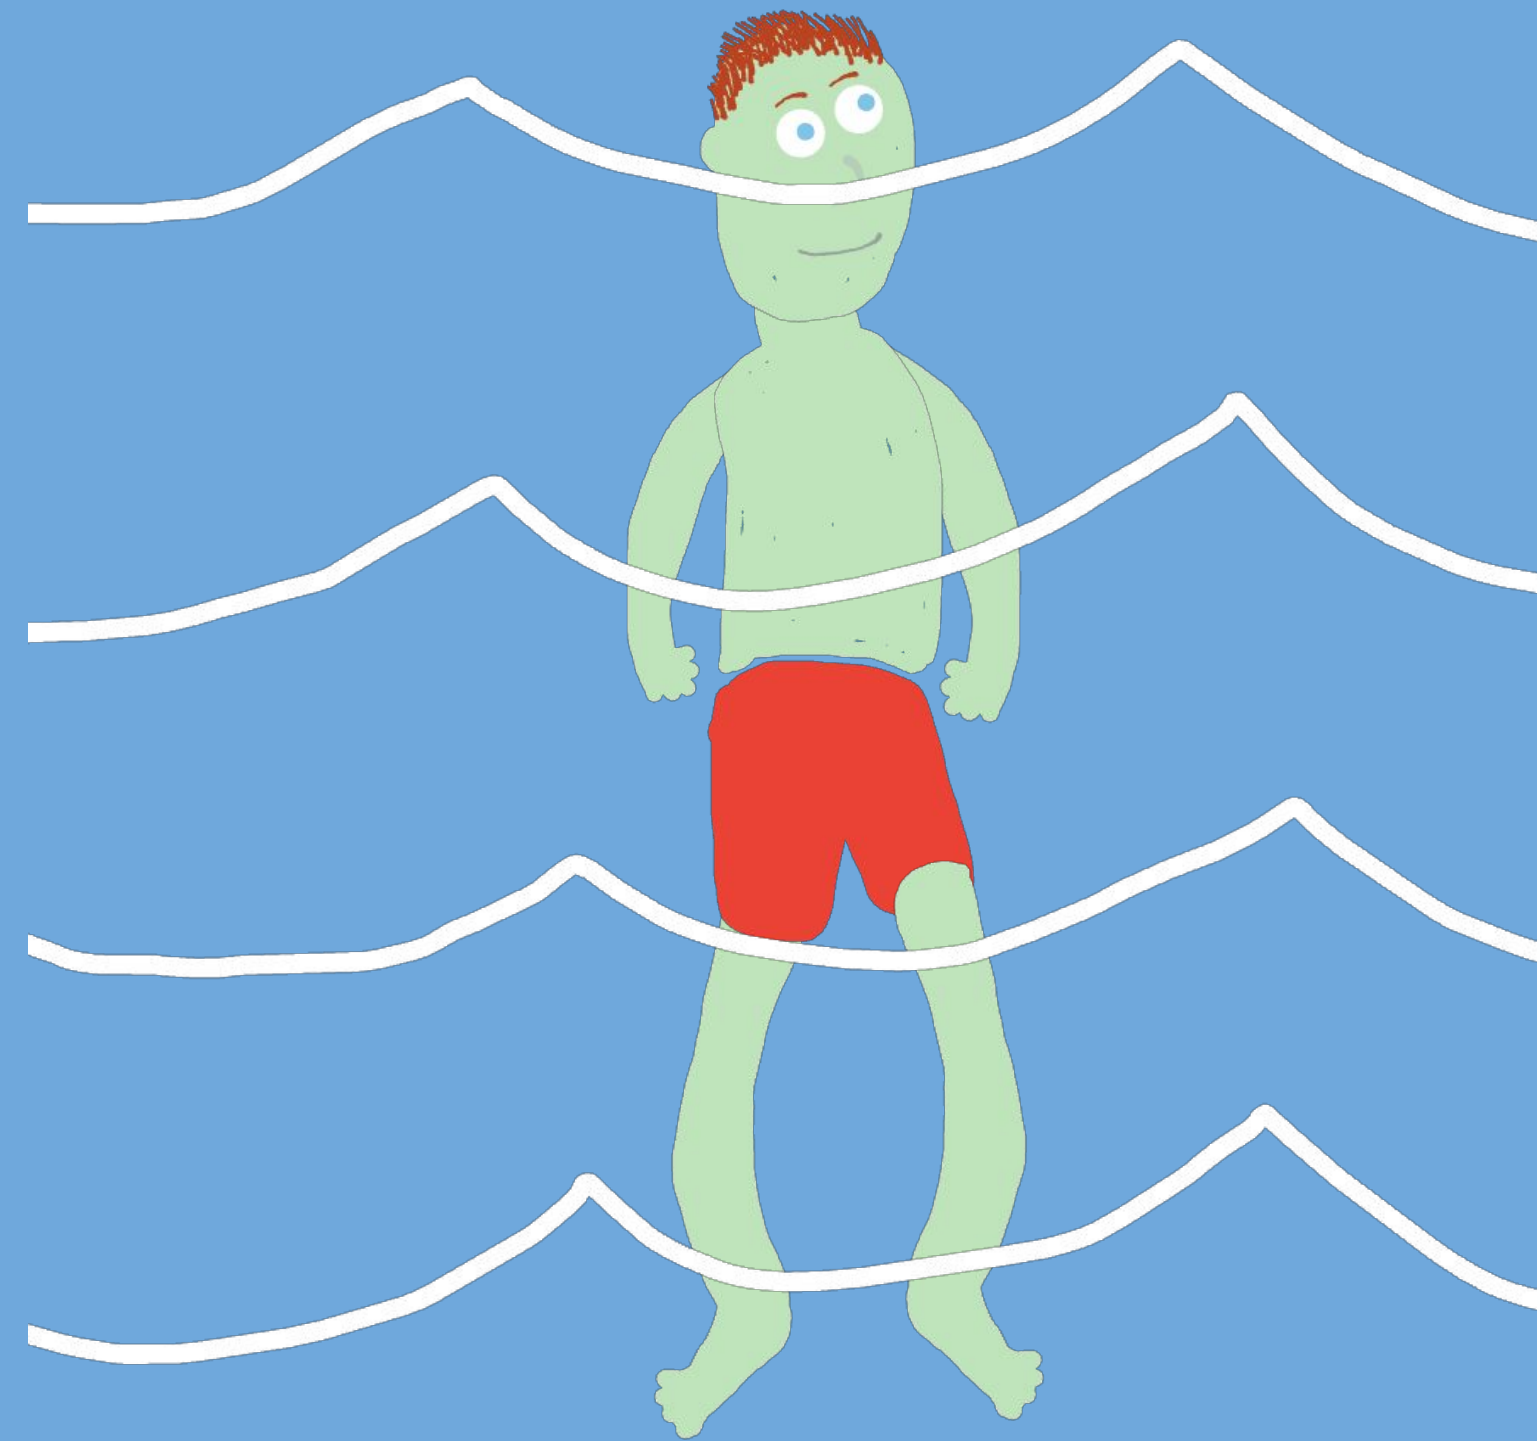

**Yet the boy knows.
Life will flow.
Just keep living.
Just keep swimming.**

**Life can be blue and grey.
With Happy You at prey.**

**Just keep living.
Just keep swimming.
Just keep living.
Just keep swimming.**

The end.
